

**Children's Ministry Prayer Partner Student Sign Up**

Here at Sparta UMC, we believe it is important for our children to be lifted up in prayer. If you would like to partner your child with an adult prayer partner then please fill out this form. There is no added commitment when you sign your child up. A copy of this form will be made available to your child's prayer partner. Having a prayer partner does not require meeting one on one with the other person.
